

Professional Education Committee Co-Chair Nominee

Melissa Belcher, Director of Corporate Relations, Grainger College of Engineering, University of Illinois Urbana-Champaign.

I have spent the past 3 years serving as either Chair or Co-Chair of the Bootcamp/Early Career Development subcommittee and am excited for the opportunity to build upon this experience by stepping into a board position.

Previous to working at the University of Illinois, I held a variety of operational roles across financial services. Most recently, I was responsible for managing a global team leading large scale projects while also executing internal and external training programs. Professional development has always played a central role in my job descriptions.

Helping others advance both personally and professionally is something that brings me great joy and I am excited to have the opportunity to utilize this skill set for NACRO!
